To Whom It May Concern,

This letter is to confirm that **Ms. Abheepsa Pradhan** was intern at **Made.by.Studios** in the following capacities:

- **Design Intern** from **30th December to May 2**

During her time with us, Abheepsa showed strong design skills, adaptability, and a user-first approach in her work. She quickly became a reliable member of the team and contributed meaningfully to multiple projects.

As a **Design Intern**, she:

- Created clear, engaging infographics to explain complex ideas.
- Developed structured, easy-to-follow user manuals.
- Worked on the **Smart Health Global Website**, helping improve user experience, refine interfaces, and design user interfaces.
- Worked closely with senior designers on interface improvements for digital products.
- Designed interactive elements and prototypes for web platforms.
- Built sitemaps and layouts to support smooth navigation and strong user flow.

Abheepsa consistently delivered thoughtful, user-centered design solutions and adapted well to feedback and fast-moving project timelines. Her work helped shape better digital experiences for our users.

We appreciate her contribution and wish her all the best in her future roles.

Sincerely,
Paras Shrestha
Chief Executive Officer
